Dept yearbook we're signing our own product. I hope we can get along so we can get it done. Yearbook is a lot of pressure. I know we can handle it. Next year let's get some more classes together. I wish they would include friends. Dept. is open to you guys this summer. Have a nice holiday.

This year our torch staff got off to a slow start because of several inconveniences. However, due to the constant yelling and screaming of our beloved advisor, we got the ball rolling. We were a little unorganized at times, but we managed to get the job done. No matter what happened, we all had lots of fun and we produced a great TORCH for the 1979-1980 school year.

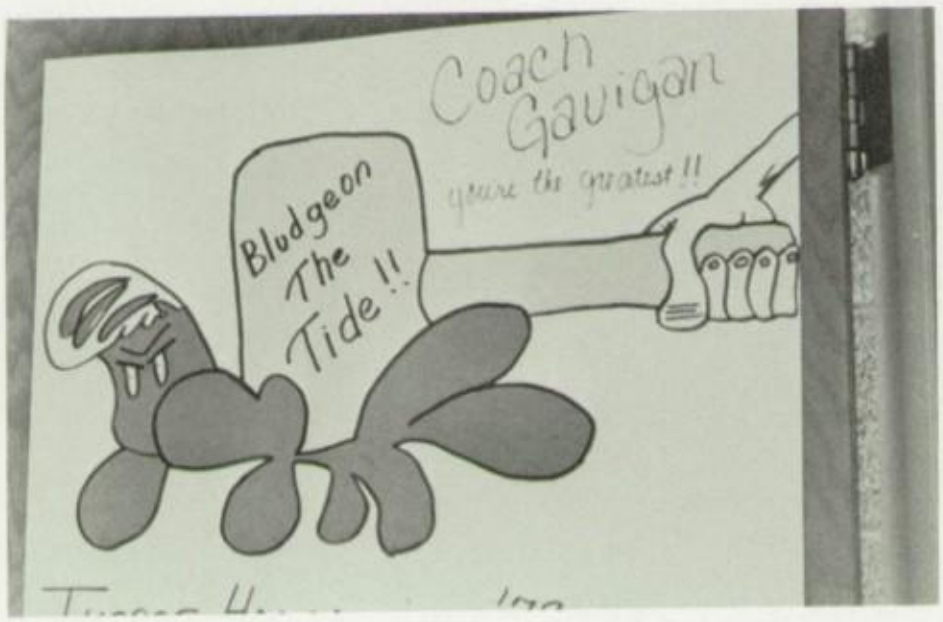
STILL ACTIVE

Spirit Week

One could sum up this years spirit week in one word, EXCITING!! Many different activities went on during the week. The week started off with Blue and Gold day Monday. The rest of the week continued like this: Button Day, Lickem Day, and Relay Day. It came to a close with Player Recognition Day and the football game Friday night, that was enjoyed by all. It was a week to remember.



"Homecoming Spirit '79"

"The things they make us do!"

"Spirit? Definitely!"

"Ah . . . our secret weapon"

"Thanks Coach"

"Nice pass Garret"

"How many more pomps did you say?"

"Thats the spirit Carole"

Homecoming Relays

Students gathered together in order to take part in the annual homecoming relays. Members of the classes joined to win spirit points for their class. The afternoon included such relays as the egg toss, pie eating contest, blow cup, 3-legged race, stilt race, people pass, and tug-o-war. The all popular V.W push ended the relays but the spirit still lingered. All classes deserved the position of #1.

"Down in front!"

"Indi — gestion"

"Sandy!!!"

"The sweet taste of victory"

"Why Me"

"Nothin' to it"

"Whew"

"Go for it Audi"

"Walking Tall"

Homecoming '79 was another moment in Turner history. Everything from tears to cheers were endured. The previous week kept every student busy, with things such as: Spirit Week (blue & gold day, button day, player recognition day, lick 'em day), the relays, the skits, working on the floats, and just plain ole yelling & screaming. All of this led to what most people were waiting for: the moment when the Trojans met the Tiders on the battlefield. Regardless of what the scoreboard finally revealed, the effort was not overlooked by the fans. One night still remained before homecoming would be put to rest for another year. To the freshmen, sophomores, and juniors, it's still another event in the future; but to the seniors, it was a week to remember.

Turner Drama Goes To State!

Each fall a one-act play is selected to participate in the forensic one-act competition. This year the play chosen was titled "The Wild Flowering of Chastity". It's cast and crew went all the way from the sub-district meet at Clinton, to competition at the state level. State was held at the UW Stevens Point, where they received a finalist rating.

Fourteen people went for the weekend of plays a Steven's Point, including: the cast- Cheryl Bottger, Brian Knox, Lance Moran, Karen Forbes, Nardy Spencer, Kris Myrhvold, Patty Burns and John Henry, the crew- Fritz Kramer, Rod McFall, Troy Halderson, Bob Stibbe, Ann Fremont-asst. director, and Coach Phillips-director.

This is the first time in the history of our school that the one-act play has gone to state. The yearbook staff would like to congratulate all those involved!

Cheryl loved this part!

THE STATE CONTEST CAST & CREW

"Well, what do you say, Big Boy?"

There goes the Sundown Express!

Some guys just can't control it.

It's all memories now, forgotten lines, awkward blockline, the first stage kiss, opening night doubts, and finally, the corks popping off of the bubbly.

The four fall one-act plays were Mellodramas, put on in November. The casts and crews had a blast aside from those late rehersals and last minute set jobs.

The first play was the contest play "The Wild Flowering Of Chastity." Next was "The Beautiful Beaulah Belle" followed by "Curse You Jack Dalton" and last was "Don't Darken My Door" which got the most laughs of any of the plays. It's mistakes were written right into the script.

All in all the one-acts went over very well this year.

"Lucifer please! You're so wonderful and ...

You thought "reversals" only happened in Wrestling!"

So, what do you have to say for yourself now sister?

This year the 1979-80 cheerleaders began a new arrangement. The group consists of 3 smaller squads each containing 6 members with one alternate for all squads. There is a Blue Squad where Lisa Allen is captain, a Gold Squad where Sherri Prude is captain, and a Silver Squad where Sarah Junig is captain. The system operates on a weekly basis where each squad cheers for one sport for a complete week, then moves to the next sport. Cheering is done for Boys' Basketball, J.V. and Varsity, Girls' Basketball, J.V. and Varsity, and Wrestling, J.V. and Varsity.

As the end of our season approaches, we as a squad can look back at some of the past experiences we went through together.

To break in the new squad, we traveled to Whitewater over the summer to a pom pon clinic. Although we didn't come home with a first place trophy, we were awarded a plaque of recognition for scoring between 90 and 95 points each night at competition. Even though our arms were bent and we didn't smile enough, each night we earned our points by having the courage to perform again in the same T-shirts as the night before and the night before that and . . .

Our goal this year was to spark up the team and our audience. A few of us carried it a little too far. Co-Captain Kim Sieren had her backside towards the cheering stands with her skirt up, while attempting to set our mascot "Tweety Bird" up on the stage. This attracted the audience's attention. Senior Lisa Knutsen had her own way to get attention. While practicing a glove routine for a Friday night basketball game, Lisa attempted to clasp her hands together, but to her surprise she found a janitor's head in them.

As a squad we worked together to support our team to victories. When we heard about Clinton's 6'7" center Greg McClintoc, we were baffled as of what to do. Not until the melody of our school song rang through the gym, did our Captain's strategy pull through when the Clinton team made their grand entrance. During the school song routine she gave him a quick one-two right in the stomach — but to our disappointment he still scored 21 points.

An added attraction again this year was the 2nd Annual appearance of the Miniature Trojanettes. These 1st-3rd graders performed in high style at one of our January half-time girlie shows. This was so well received that we were invited to perform at a Beloit College game.

It has been a fun filled year for all of us — even when the record skipped, the power shut off during our light routine, and the late halftime arrival of Karla Feuerstein. We have all learned a great many things over the year, but most important we learned to be a squad, working together to make this year a success. I thank the squad for their cooperation throughout the year, and the best of luck, to our graduating seniors. We'll all miss them.

Christmas Concert '79

A.F.S. Students

As you all know, I came from West-Germany to spend a year in the U.S. I live with the Hammel family out on Creedy Rd. In this family are 5 members. My parents, my sisters Toni (22) and Patti (18) and a brother, Marc (13). I've never had a little brother, and this was one of my new experiences. Back home, I live in the southern part of West-Germany in the black forest. From my town I live only 15 minutes to the Swiss and French boarder. My mom and dad live at the moment alone with my dog, because my older and only sister is in College. One of my greatest experiences was Turner High School. I used to go to a big school but it is a lot nicer to go to a small one. I got to know so many people and I made many friends. A thing I liked very much were the school activities and the school spirit. It is going to be very hard to leave, but I am sure I can come back to visit you. I had lots of fun and I like to thank you all for making it such a great year for me, Yasmine

Coach Turner

The 1979 Boy's Cross Country Team was comprised of 19 runners, the largest squad in the school's history. Seniors-Bill Kasbohm, Mike Denu, Bruce DeRoos, Bob Johnson; Juniors-Dave Wood, Boad Swanson; and Sophomores-Joel Markley, Craig Fleener led the Trojans to a 6 win-1 loss dual meet record and a 2nd place finish in the Rock Valley Conference. The team's overall record was 42 wins-22 losses against some of the best teams in the state. The J.V. harriers captured the Trojan Invitational and finished 2nd in the Conference Meet. They finished with a 6 win-1 loss dual meet record and were 30 wins-11 losses overall. Freshmen Brian Kiesow and Mike Junig were the leading runners on the J.V. squad.

Coach Neas

The Girls Cross Country team had a successful season. The team won the Rock Valley Conference Championship and placed second at the WIAA Sectional Competition. Two girls, Cathy Morgan and Cheryl Nitz represented the Girls team at the State Meet. The team shared many experiences both on and off the course: painting the silo on the corner of Praire and Inman; running to Pleasant Avenue Dairy Queen, eating ice cream, and returing to school via the Markley camper; pizza at Tony and Maria's; monkey piles; and the memorable spaghetti dinner at the Morgan residence. This team worked together. They had their high and low points during the season. Yet, when the need was there the girls gave their best effort. Therefore, by giving their best effort, each team member was truely a winner.

The Varsity Volleyball team was quite young this year, but they did a great job to finish the year with an 8-6 conference record, good enough for fourth place. The team consisted of 3 seniors, 10 juniors, and 1 sophomore. They all had a super time playing, practicing, and having fun together.

Who could forget Nancy's "Be Awesome" hat? Or the problems some people had with body parts in the net? Or being "Korean"? Or coming back to win the match after losing the first game?

Coach Haas was a great inspiration to the team and we all enjoyed the fun times with her, like at Ponderosa or in Madison.

Four team members were honored with places on the all-conference teams. Captain Cathy Heffel and also Cathy Ziebol received honorable mention. Penny Barrett was chosen for the 2nd team. Nancy Shaler was picked for the 1st all-conference team and also received the Most Valuable Player award, voted on by her teammates.

I'm sure all the girls, especially the seniors, will look back on the season with fond memories. And those underclassmen can look forward to even a better season next year!

The J.V. Volleyball team ended its season with a 5-9 record. The second half of the season proved to be the better half, winning 4 out of the 7 games. All team members put forth a lot of effort to make this season a fun one. They all are looking forward to next year's season.

The freshmen had a shorter season, only playing 10 games. They did very well, ending the season 6-4. We hope to see them all out for the J.V. team next year.

Sue,

This years basketball team didn't get off to a very good start, by loosing its first six consecutive games. That was enough for them. Through a lot of hard work and determination they managed to come up with some victories. One of the strongest points of this basketball team was its great desire to be the best. No other team in our Conference wanted to win as much as we did, and tried so hard to achieve that goal. They may not have reached that goal by the showing of the score, but we will all know the immense effort put into every game by each one of the team members.

The Girls' Basketball team experienced another terrific season this year, finishing with a 15-3 record. There were only three returning letter winners and only two of those were seniors, so with a fairly young team, the girls really did a great job.

With any season there are those unforgetable moments, like the victory over Beloit Memorial (finally) of the 48-34 victory over Milton to capture first in the conference! Or all the lay-ups and Wisconsin dribbles and free-throws in practice. Or "game day" every Friday.

Jodie Tinder and Cheryl Nitz were the team captains this year, although our "little brother" Eric received quite a few votes.

Only two seniors, Cheryl Nitz and Nancy Shaler, will be leaving, so the team has a lot of successes to look forward to in the future as the team continues-

"DOING WHAT WE DO BEST!"

The Senior Class of 1980, better known as "the Class with Class", has done many memorable things. At homecoming we all banded together to defeat the underclassmen in the relays, win first place in the float competition, and the very prestigious mouth award, chanting "Orange Crush", "Senior Crush" all the while. We didn't "bludgeon" the Tide as we had hoped, but we tried our best. The burning "80" at halftime brought tears to our eyes. However, the fun did not stop with Homecoming. One day we had a Senior Stuffed Ani mal Day, when we all brought our stuffed animals to school. We received a lot of funny looks, but it was lots of fun. Besides, the Seniors are supposed to be crazy. We plan to continue the fun and the laughter all year, collecting many memories. THS will never forget the Class of 1980.

Sue,
another year has passed us by, and I don't even know where it went! Next year will be big, bad Seniors! (Doesn't that sound weird?) Independent Reading was fun, even though we had so much work to do! I'll probably see you next year in more of Franzes English classes! PSN-PSN camp is going to be so fun! It will be really neat having us all together in dorms and everything. Those outfits should look nice too! Well,

Hi (← that's what you told me to write).
I'm really glad we were in some classes together. Maybe we will be in some together next years. Didn't we have fun in Biology doing all those experiments. Injecting Chicks was the worst. Oh well, at least it's over with. I can't wait until next year when we will finally be seniors. Then we can get out of this place. (Yeah!!) That will be great!! That was kind of funny with you and Tracy always fighting. I was there just to help. Maybe I'll become a social worker and help all kinds of people with their problems (I dount it). Stay as sweet as you are. Have fun over the summer.
Lori

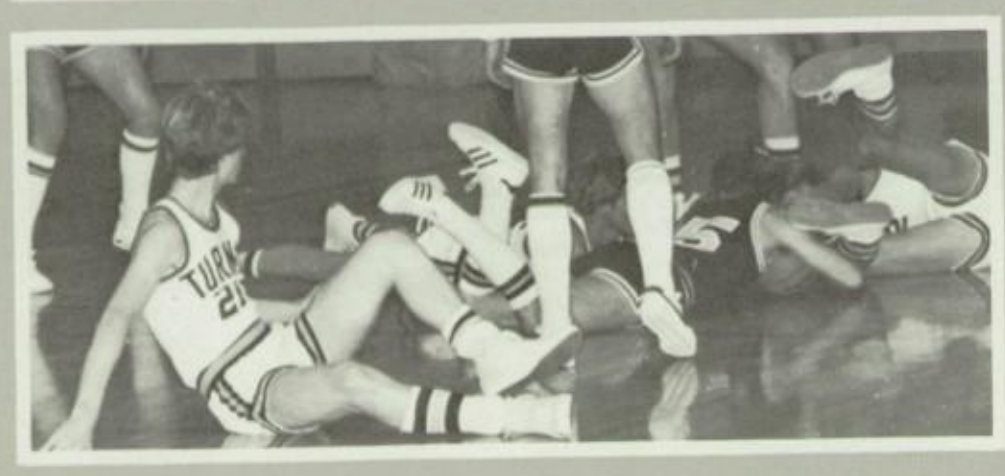
Sue, It sure was fun making Mr. Condon mad at us in Band. I feel sorry for everyone who has to endure him for another year. I will come to your homecoming game to see if he has improved any. Take it easy next year. Try not to cry too much at our graduation, because when I sit by you for Contemp. I don't want to start bawling. Have fun next year. Love Julie



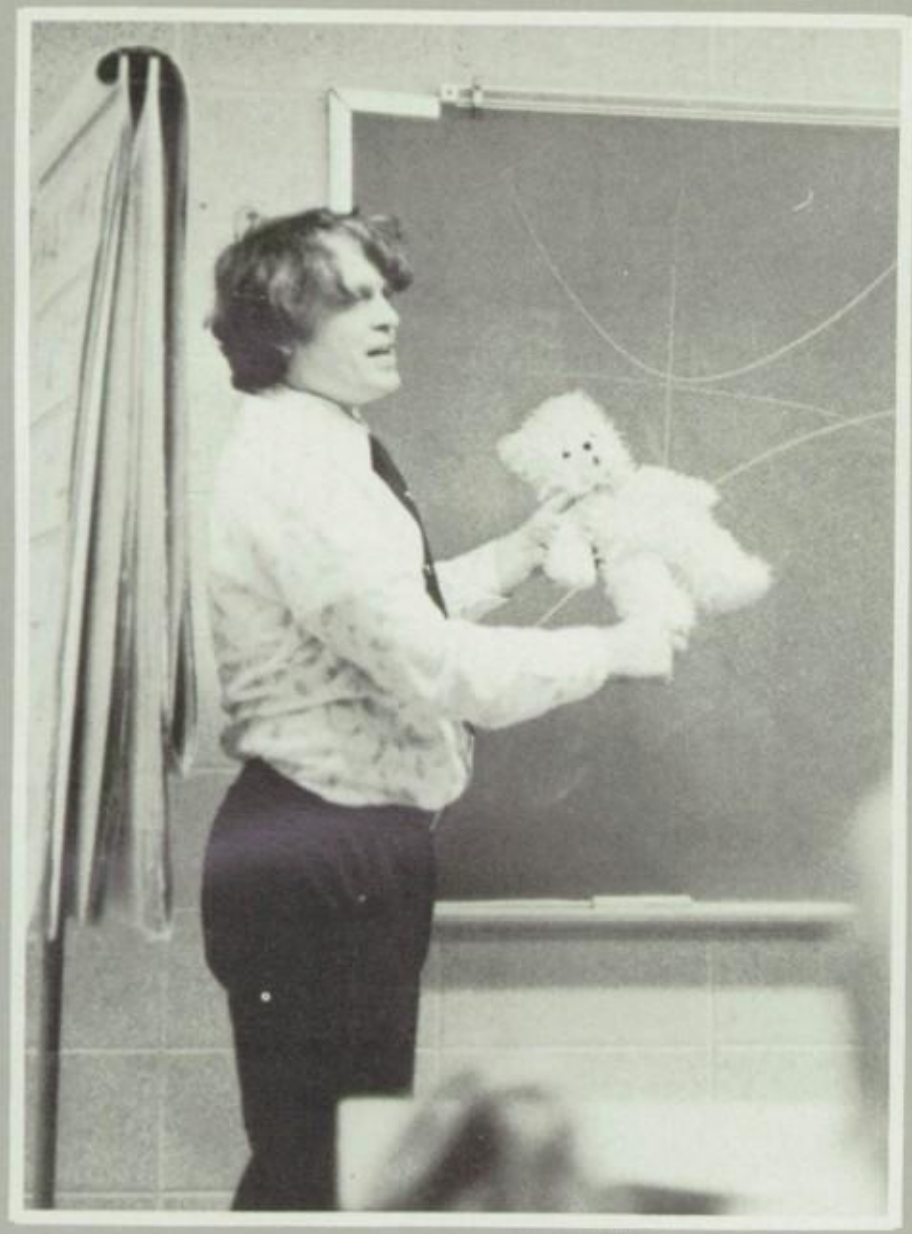
Well, it's hard to believe, but the year is coming to a close. The last deadline is due, and we're all crossing our fingers that everything will get finished. The year has been a hectic one, but losing pictures, artwork, and write-ups is all part of putting this yearbook together. And being able to laugh at our mistakes, and finally seeing it all fall into place is the reward.

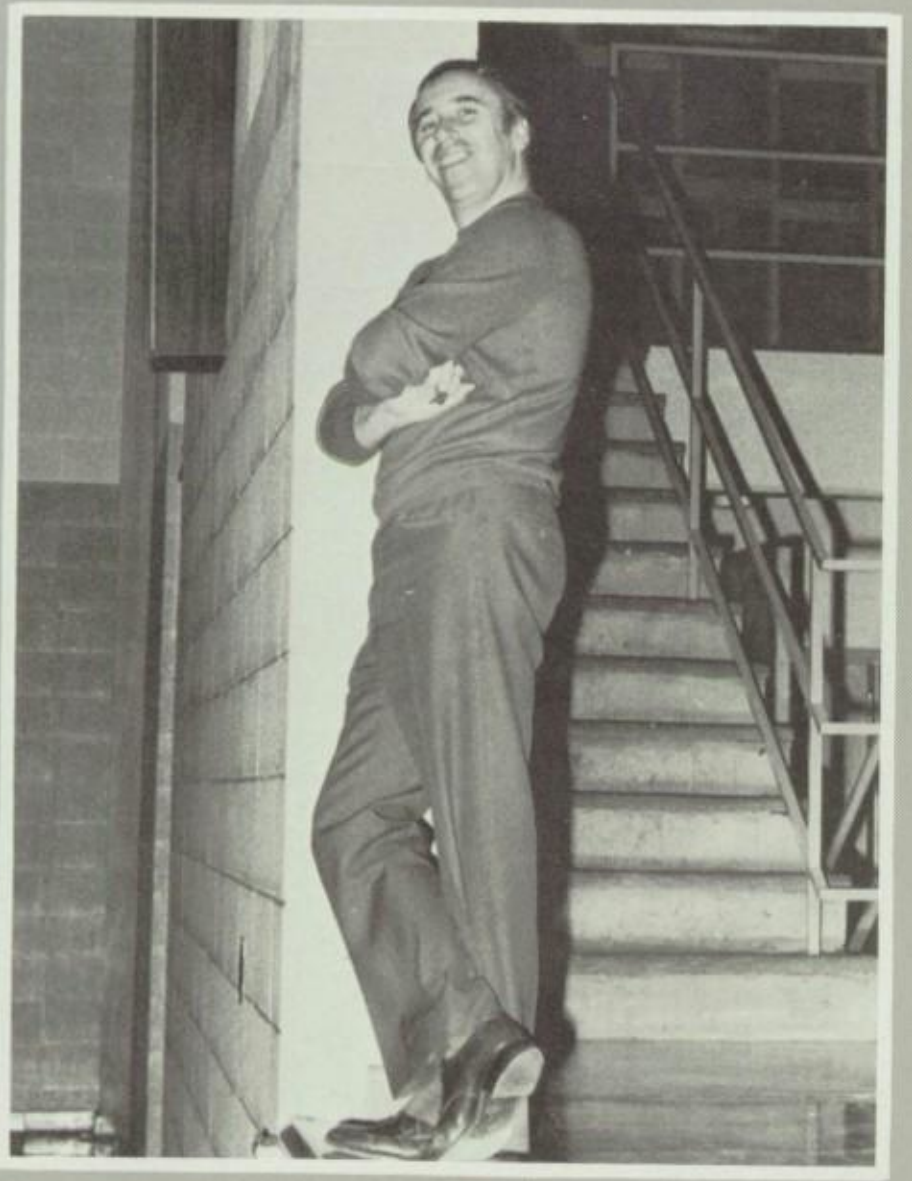
And isn't that what a yearbook is all about? We hope we've captured all the memorable moments that should be kept forever. I would like to give many thanks to everyone who worked so hard to make this book the best it could be. But I would like to send my special thanks . . . to you Mr. Sklavos, for putting up with our craziness . . . and to you Randy, for all the great photography . . . and to you Lisa, for making all the hard work fun (even if you were always late for meetings).

It was a great year, and I hope this book will help us remember the good times. After all,

"a day never ends if it
makes a memory . . ."

Cheryl Bottger





The end of the year, the meeting of the final deadline, all signs that graduation is just around the corner. This year was a great year for everything. We may not have met all of our deadlines and every page may not be just how we wanted it but we've had alot of fun putting this book together. I hope we've captured some of the good times of this year for you, so you will always have these memories to look back on. This years staff spent some hard times trying to get this book done for you. Cheryl and I worked together constantly and almost grew to hate each other, but we made it. I hope you always remember Turner High School and all the great times you've had. I know I will. Have a fantastic tommorrow!

Love,
Lisa

Arsenic And Old Lace

This year for the spring production the drama department presented Arsenic and Old Lace. The cast put a lot of hard work and effort into the play and often got on each others nerves, but it all payed off in the end. Many new friendships were made as well as the old ones which were strengthened. These friendships helped to carry the play to its fantastic end.

Crowning the queen

MC: Rod McFall

Theme song: Precious & Few

May 17, 1980. Beloit Country Club. This was the Junior Prom, where memories happened. Right from the moment you entered the doors and stepped into the magical evening. This year, the presentation of the king and queen was completely new. No one knew who they were, until they were announced at the dance. Any one of the ten selected juniors were eligible and the suspense grew as the court was being announced.

We, the junior class, hope we made it a very special evening.

Through the rain and thunder of the afternoon, we decorated and tried our best to create the perfect atmosphere. We hope the memories we have created will always remain in your mind as happy ones.
